Electric Opening Mechanism	Please tick
Motors: we will advise best option based on size/weight of vent lid	
Open & Close Rocker Switch Only <i>(will operate up to 4 motors)</i>	
Rain Sensor, Thermostat & Manual Override Climate Control System <i>(will operate up to 4 motors)</i>	
Remote Control Handset & Receiver	

If independent opening is required on vents a separate switch will be required for each vent - please advise.

NB. All motors are factory tested for quality and working order, and given a serial number by the main supplier. Motors are fitted and adjusted to vents, ready for on site installation by a QUALIFIED ELECTRICIAN only.
