RUBBER BLADE DOOR SEALS

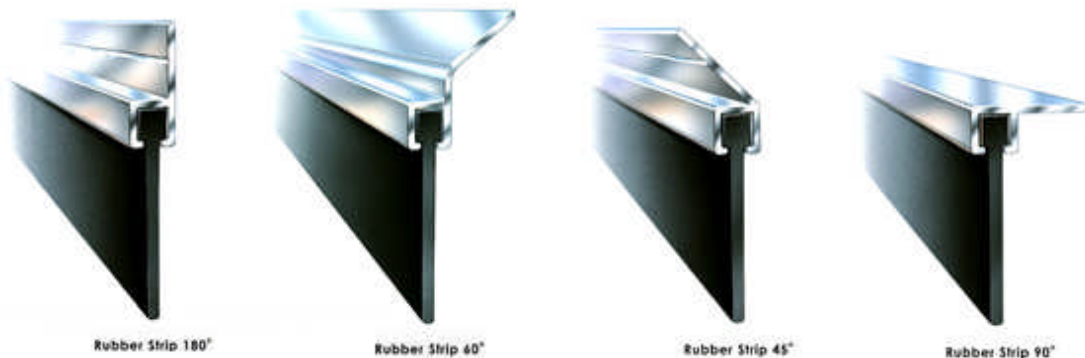

A choice of aluminium holders with rubber blade inserts to suit various types of doors.

RBDS30 – 180° aluminium carrier complete with 30mm EPDM rubber insert.

RBDS55 – 180° aluminium carrier complete with 55mm EPDM rubber insert.

Aluminium Carrier: 3mtrs long x 22mm overall height x 8mm width.
Insert size is shown as amount of blade outside of holder.

Also available: 45° ~ 60° ~ 90° aluminium holders
85mm rubber insert

INSTALLATION

Section can be cut to length using a fine tooth saw. All seals should be fitted with the door in the closed position. The seals should be fitted so that the insert is in contact with the mating surface. Care should be taken not to overflex the insert against the mating surface.

STORAGE

Products should be stored in dry conditions taking care not to crush or damage the inserts.

HEALTH AND SAFETY

The product does not present any known health hazards during or after installation.
Normal good industrial and personal hygiene practises should be observed.
