WIS FINGER GUARDS

DESCRIPTION

A simple device designed to prevent fingers being trapped in doors. Ideal in schools, nurseries, nursing homes/hospitals, offices and any area where the possibility of injury to fingers may occur. Will also assist in providing privacy by covering gaps at hinge door edge.

Supplied in two styles *Fingerguard F* to protect the front hinge side and *Fingerguard R* to protect the rear hinge side. Suitable for most types of doors including 180° opening doors, can also be used on external gates.

BENEFITS

- Fits most door types
- Easy to fit
- Low maintenance
- Choice of 10 colours

Fingerguard F

Fingerguard R
